My dear Mr. Dulles,

I am writing in regard to the final arrangements for your lecture to the Senior and Junior Schools on 3 March 1961.

Your lecture on the "Areas of Vulnerability of the Soviet Bloc" is scheduled in Ellis Hall from 1030 to 1220. May I suggest that Colonel Vincent R. Kramer, your escort officer, meet you at the Iwo Jima statue on Route 1, Triangle, Virginia at 0930. This will allow time for a brief visit prior to your presentation.

We are looking forward with pleasure to your return to Quantico and to the honor of your company for luncheon.

Sincerely,

E. W. SNEDEKER
Lieutenant General, U. S. Marine Corps

The Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.
